Thank you for applying to live in our residential community at Texas Southern University. You will find that your college experience, academic and social development will be enhanced by living in university housing.

The first housing assignment is to the Greystone Apartments. To accept this assignment, you must return this form. Upon your acceptance, please refer to the attached **Room Reservation Information Card** to follow the on-line procedure to complete an application packet for the Greystone Apartments. Your assignment will not be confirmed until you complete the application packet which includes paying your deposit and application fee and signing your lease with Greystone Apartments. You are to indicate your preferred floor plan and contract length to help facilitate the appropriate housing assignment. The Greystone website, will provide information on optional floor plans, amenities, and lists the advantages of living at Greystone.

In order for you to accept or reject this assignment, you MUST sign this letter in the designated space provided below and return it to housing as soon as possible. Do not delay! Act now while rooms are still available.

Thank you in advance for your interest and we look forward to having you reside in TSU housing.

Sincerely,
Manuel L. McGriff
Director of Residential Life & Housing
