

# Living room

TEXAS SOUTHERN UNIVERSITY

**Webinar: April 21, 2009**

1 to 2 pm and 3 to 4 pm Eastern

*It's Easy Being Green: Little Steps—Big Impact*

Saving our planet for future generations is more important than ever. Learn how to get started, and how those seemingly small things really do make a difference now and in the future.

You can register at [www.uteap.org](http://www.uteap.org). Click on Member Services to get to the member portion of our website. From there, click on WorkLife (on the left-hand side) and follow the link to access the log-in portion of the website. (Password: tsu.) The link for the Webinar will be under Events on the right-hand side of the page.

## Go Green

## April

## 09

Going green means more than just recycling; it is a concept that is transforming our homes, workplaces and the world around us. It impacts what kinds of products we buy, how we live and how we work. It is hard to know where to begin. We can help with the information you need to make the first steps toward greener living. Read featured articles on conservation, or visit one of our resource links to find out how you and your family can go green.

Let our work-life specialists assist you with resources and information to help you and your family go green. Call toll-free and get started.
