## Volunteer: Have a Good Time Doing Good

People volunteer for a lot of different reasons. Some do it simply to help others. Others may want to network with their community or even learn new skills to further a career.

There are as many reasons for volunteering as there are volunteers. No matter what your reason, we can help you find the right opportunity. Log on to your EAP/Work-Life Website to read one of the articles about volunteering. While you are there, use our locator to find volunteer opportunities in your community. Check out one of our links to many national organizations that need volunteers. Let us help you Have a Good Time Doing Good!

Make sure you register for our Webinar "Making a Difference: Volunteering for a Lifetime" on December 16th from 1-2 p.m. and again from 4:30-5:30 p.m. Eastern Time. Volunteering is a way to make a difference in the lives of individuals and in society. This session explores volunteer opportunities for all ages. You will learn how to assess your talents, skills and passions to share with those who can benefit from your time and attention.

You can register via our website at [www.uteap.org](http://www.uteap.org). Click on Member Services to get to the member portion of our website. From there, click on WorkLife (on the left-hand side) and follow the link to access the log-in portion of the website. (Password: tsu.)
