**Eligibility and Insurance Statement**

**ELIGIBILITY**: All team participants must be currently enrolled at TSU or can be verified by the Department of Human Resources to be a full or part time employee at TSU in order to compete in Intramural Sports.

**INSURANCE: Texas Southern University is not responsible for personal injuries to persons while participating in intramural sports.** The University offers a good insurance policy for the protection of students. It is a voluntary and inexpensive program that covers accidents resulting from intramural sports. All students who plan to participate in intramurals should join this insurance program. All residence hall students are covered. Students living off campus (Greystone, Courtyard, and Tierwester Oaks Apartments included) that do not have or are not sure of current membership in a sick and accident insurance policy should see the Student Health Center or the Intramural Sports Office to obtain information and forms to enroll in this policy.
