

Required Education (Title IX) Waiver Request Form

This form is for undergraduate and graduate students who would like to request a waiver from completing the sexual violence prevention module in Safe Colleges. If granted, students will still need to complete the Texas Southern University Tigers Protect Tigers portion of the required education content. Upon receipt of your request it will be reviewed and if granted we will update in our system and you will be notified.

If you are required to take the course due to student employment (included Graduate and Teaching Assistants), please speak with your supervisor regarding an exemption to complete.
