

How to Change Your Password in Blackboard 9.1

1. Login to Blackboard
2. On Your Personalize Page, under Tools, Click Personal Information

3. Click Change Password.

4. Type New Password & Verify New Password by typing it again.

A screenshot of the 'Change Password' form. The form title is 'Change Password'. Below the title, there is a legend: '* Indicates a required field.' The form is divided into two steps. Step 1, 'Change Password', contains the instruction 'Complete this form to change the password.' and two input fields: '* Password' and '* Verify Password'. Step 2, 'Submit', contains a 'Submit' button.

5. Click Submit. Your password is now changed.
