Assistant Dean of Assessment and Accreditation, Jesse H. Jones School of Business
Ms. Clara Wiley
Assistant Dean of Business Student Services, Jesse H. Jones School of Business

Others Present
Tiffany Vaughner
Senior Administrative Assistant to Associate Provost Brown-Guillory

Opening
The meeting of the Associate/Assistant Deans’ Council was called to order at 3:00 p.m. by Dr. Brown-Guillory.

A. Attendance

- Dr. Brown-Guillory spoke to the council about the importance of attendance for council meetings and reminded them that attendance was mandatory for them as well as department chairs as per directives from President Rudley and Provost Ohia.

B. Teaching and Learning Excellence Center (TLEC) Interim Director Search

- Dr. Brown-Guillory reminded the council of the search for an interim director of TLEC, a position which will report to her and which will focus on faculty development: training faculty to become better, stronger teachers and training faculty to become better advisors and counselors to students.

C. Approved Course Scheduling Policy

- Dr. Brown-Guillory announced that the policy approved by the council had gone to the Deans’ Council and was unanimously approved and will become effective Fall 2012. She asked the council to pass along this policy to all members of their departments who are responsible for scheduling. Dr. Brown-Guillory added that exceptions must go directly to Dr. Ohia to be
reviewed on a case-by-case basis in consultation with University Registrar, Mrs. Marilynn Square.

D. UAV, QEP and AVID

- UAV – Dr. Brown-Guillory reported on the October 10, 2011, meeting President Rudley and Provost Ohia had with UAV students, where key administrators spoke to students about the behavior of some of the students in residence and what is expected of them academically and socially.

- AVID – Dr. Brown-Guillory reported on Advancement Via Individual Determination (AVID), a program which is responsible for putting together interventions that will help students excel. Provost Ohia and a team from his office worked to secure the AVID grant, which is funded through the THECB for a period of three years. This program on campus is being facilitated by Dr. Betty Cox, Interim Associate Provost/Associate VP for Student Academic Enhancement Services

E. Accommodations for Students

- A complaint was filed in the President’s Office that a student requested a few weeks off due to the need for a kidney transplant and that student’s professor refused to work with the student. Dr. Ohia asked Dr. Brown-Guillory to remind the council that faculty must work with students with disabilities to accommodate their needs as prescribed by the Americans with Disabilities Act (ADA). She stated that it is up to faculty to investigate these claims, but that they must work with the Center for Students with Disabilities to insure that all procedures are followed.

F. Schedule Request Forms and Course Rotation/Advance Planning

- Dr. Brown-Guillory updated the council on Schedule Request Form changes. She reminded the council that the electronic and hard copy course schedules will only work if what is submitted is accurate and demonstrates advance, solid planning. She also stated that old forms are still being used even though new forms had been sent to the deans, associate and assistant deans, and department chairs. She also advised council members that while department chairs say that they are aware of rotations and do advise students accordingly, there is still the perception among students that faculty are not providing them with accurate information or are not doing enough to insure that they graduate on time. Dr. Brown-Guillory announced that she plans to work closely with deans and department chairs to review the course rotation process, namely to encourage academic units to begin to think in terms of generating and publicizing a two-year plan for course rotations.

G. Post-Tenure Review and Promotion & Tenure Criteria and Bylaws

- Dr. Brown-Guillory advised the council that post-tenure review is state mandated and is present in the faculty manual as such. She reminded the council that Dr. Ohia has said that each academic unit must come up with its own criteria. Dr. Brown-Guillory noted that the faculty manual provides only general guidelines of what is expected, but that only departments can set the standards for what a faculty must achieve in order to be promoted and/or tenured. She added that Dr. Ohia has requested that all colleges/schools submit bylaws along with their P&T criteria to Dr. Brown-Guillory.
H. Graduation

- Dr. Brown-Guillory distributed the timeline for graduation and went over the dates and deadlines leading to Winter Commencement, which is scheduled for December 10, 2011.

I. Increasing Admission Standards

- Dr. Brown-Guillory informed the council that new admission standards, which raised the entering college GPA to 2.5 from the previous 2.0, had been approved by the TSU Board of Regents and would become effective Fall 2012.

J. Updating Academic Affairs Forms

- Dr. Fennoyee Thomas, Associate Dean of COLABS, reviewed changes with the council and accepted suggestions for additional changes. The council provided feedback to Dr. Thomas and the other committee members and then voted unanimously to approve the revised Academic Affairs forms. The revised forms will be presented to Academic Council for further input and approval.

Adjournment:
Dr. Gabriel Aitsebaomo moved to close the meeting, and it was seconded by Dr. Jessica Davis. The meeting was adjourned at 4:00 pm. The next meeting of the Associate/Assistant Deans’ Council is scheduled for Monday, November 28, 2011 at 3:00 pm in the Hannah Hall Conference Room 111.
