COMPETITIVE SCHOLARSHIP WAIVERS

Texas Higher Education Code Sec. 54.213 states that an institution of higher education may charge a nonresident/foreign student who holds a competitive scholarship of at least $1,000 for the academic year for which the student is enrolled, resident tuition and fees without regard to the length of time the student has resided in Texas. The student must compete with other students, including Texas residents, for the scholarship and the scholarship must be awarded by a scholarship committee officially recognized by the administration, have publicly available criteria, and permit awards to both resident and nonresident students.

The Office of Scholarship Success, in collaboration with the academic and athletic departments, works to identify students to award competitive scholarship waivers. Students who have been awarded a scholarship with a waiver will be notified by the Scholarship committee and/or the department that awards the scholarship. Please note: Not all competitive scholarship awards come with a waiver. Texas Southern University has a maximum amount of waivers that can be offered to students per term that is set by state regulations, and awarding of the waivers is at the sole discretion of the University.

Departments requesting waivers for competitive scholarship offers must contact the Scholarship office at scholarships@tsu.edu to request waivers for competitive scholarship offers. All competitive scholarship waiver requests must be received by the 12th class day for the Fall and Spring terms, and by the 4th class day for the Summer terms.
