

TEXAS SOUTHERN UNIVERSITY

**TSU Students:**

We understand the economic hardships that many of you may be under due to the effects of COVID-19. As a result, TSU is suspending the late fee you would normally be charged due to missing the April 3 installment payment deadline for the Spring 2020 semester.

Additionally, we are temporarily raising the maximum balance allowed (from \$500 to \$1,000) in order for you to register for the upcoming summer or fall semesters. If you plan to register for the Summer I semester, your prior balance must be paid in full by June 1 (July 6 for Summer II) – prior to the start of the semester – or you will be dropped from your classes. Likewise, when you register for the Fall 2020 semester, your prior balance must be paid in full by August 23 – prior to the start of the semester – or you will be dropped from your classes. Students with a balance of greater than \$1,000 on their account will not be allowed to register for the summer or fall semesters.

**Important:** Please make sure to check your account balance in your MyTSU portal.

**Equally important:** Please know that installment plans are available for both the summer and fall semesters for those who do not have a prior balance on their account.
