RE: Title IX Coordinator Reporting Requirements under Tex. Educ. Code § 51.253(a)

---

Under the Texas Education Code TEC, Section 51.253(a), the institution's Title IX Coordinator is required to submit a written report no less than every three months to the institution's Chief Executive Officer regarding reports received from employees who are required to report under the TEC, Section 51.252 and the type of incident described in the employee's report constitutes "sexual harassment," "sexual assault," "dating violence," or "stalking" as defined in the TEC, Section 51.251.

For the purposes of complying with the Title IX Coordinator reporting requirements under Section 51.253(a), the attached written report<sup>1</sup> (Appendix A, Table 1) includes all the required reporting information to Mr. Kenneth Huewitt, Chief Executive Officer for Texas Southern University, for the 2019-2020 academic year, as of September 30, 2020. For the purposes of complying with the Chief Executive Officer's reporting requirements under TEC, Section 51.253(c), Appendix A, Table 2 features information necessary for the Chief Executive Officer's Report to report on any disciplinary actions taken under TEC, Section 51.255.

An attached summary data report (Appendix B), based on the Title IX Coordinator's written report (Appendix A), has also been included for your review. The summary data in Appendix B is categorized based on the reporting requirements under TEC, Section 51.253(c). The reports received may be applicable in multiple reporting categories, and therefore, the summary data in the categories may not add up to the totals of other categories.

Note: Any additional reports received by the Title IX Coordinator that do not meet the required reporting criteria in the Texas Education Code have been omitted for the compliance purposes of this specific report.<sup>2</sup>

### **Appendix A**

---

<sup>1</sup> When identifiable, duplicate reports were consolidated into one case number and counted as one report in the summary data, and confidential employee reporting is noted by case number and as a sub-set to the total number of reports received.

<sup>2</sup> For example, reports made by students and all other non-employees [including incidents under 19 Texas Administrative Code, Section 3.5(d)(3) (2019)] are excluded from Appendices A and B. Additionally, if a Title IX Coordinator or Deputy Coordinator determines that the type of incident described in a report does not constitute "sexual harassment," "sexual assault," "dating violence," or "stalking" as defined in the TEC, Section 51.251, the report is excluded from Appendices A and B.
