TSU’s strength is in its youth with Shannon returning to spotlight the offense. Last season, she finished second in the league in hitting percentage (.286) and led TSU in kills (320) averaging 3.02 per game. Shannon also earned newcomer of the week honors to add to her early collegiate resume.

The second half of TSU’s offensive combination is courtesy of Mona Reed. Reed was second on the team in kills (285) registering 2.79 per game.

For a squad that ended 2012 second in the conference in blocks, TSU will look for Azubuike to continue to spearhead the team’s defense at the net. She led the team with 88 blocks last year finishing second in the SWAC.

With experience on offense and team leaders returning in every facet of the game, TSU has the blueprint to become competitive in the postseason for a shot at the SWAC crown.

2013 PLAYERS TO WATCH include: Mona Reed – OH; Veronica Azubuike – MB; Robyn Shannon – OH; and Erin Spivey – L.

We also need to remove barriers that prevent students from accessing the nutrition and higher educational opportunities they need in order to learn and succeed. “According to No Kid Hungry, 22% of U.S. children under age 18 live in poverty, struggling every day with hunger that holds them back from striving to do their best in school. That’s why we have partnered with Denny’s Hungry for Education campaign, a program awarding over $50,000 in scholarships and special incentives to high school and college students for their innovative ideas on childhood hunger.
