Welcome

The mission of the Center for Online Education and Instructional Technology (COLEIT) is to provide the support and resources that enable the faculty to efficiently use technology to deliver and enhance instruction and research.

COLEIT plays an important role in the support of the University's strategic plan. Specifically, goals one and two, to provide high quality instruction and basic and applied research. The center expands the depth and breadth of the faculty to explore teaching and learning in effective and innovative ways.

Student Resources

- Blackboard
- Search Course Catalog
- Free Online Courses
- Electronic Library Databases

Faculty Resources

- Blackboard
- Webinars
