Campers have the option to opt out of the Learn to Swim Program (Note: although we encourage all campers to take advantage of our well-structured learn to swim program we understand other factors may play a role to prevent that from occurring).

If you check **YES**, your camper will be added to the learn to swim program and will participate in the daily swim activities offered.

If you check **NO**, your camper will be placed in a daily reading based education session that will require daily written assignments. If you decide to change your mind, and opt back in, your camper will begin L-T-S sessions the following week.

Behavior Expectations

The TIGER CAMPus REC Summer Day Camp Staff and Administration provides children with guidelines for appropriate behavior and rules to follow while enrolled at camp. We encourage positive actions through positive reinforcement and close supervision. Our main goal is to keep the children safely involved in activities so the inappropriate behavior is limited. The following steps shall be followed if inappropriate behavior occurs. Special modifications may be made to adapt to a child's needs.

1. The child is spoken to privately in a firm but gentle manner regarding any unacceptable behavior.
2. If unacceptable said behavior continues, the child is removed from the activity or area for a cool down/timeout period until both the administrative staff member and the child feels the child is ready to return.
3. If the unacceptable behavior still continues, the child's parent will be called or spoken with before the child departs for the day.
4. A Behavior Report will be completed and placed in the camper's file any time a child receives a cool down/time out.
5. If a camper receives three behavior reports during his enrollment in camp, the camper's participation in camp can be dismissed.
6. An Incident Report will be filed when there is evidence that a camper has engaged in behavior that results in property destruction, injury to an individual, inappropriate touching of an individual, multiple behavior reports and other inappropriate behavior is grounds for dismissal from camp.
7. A child may be dismissed from camp without prior notice to the parents if:
 - a. A child engages in behavior that causes an individual to require medical attention.
 - b. A child displays violent, uncontrollable behavior that puts others in the program at risk.

** A child dismissed from a session will not be able to participate in any camp sessions for the remainder of the year.

** Behavior incidents will never be dealt with in a demoralizing, humiliating, or abusive manner. No child shall be subject to neglect, cruel, unusual, severe, or corporal punishment including: punishments which subject a child to verbal abuse, ridicule, humiliation, denial of food, use of bathroom facilities, punishment for soiling, wetting, or not using the toilet.

** Verbal or physical abuse by a camper or by their parent is not allowed. Abusive language includes statements that are cruel, humiliating, ridiculing, bullying and foul.

Tiger Camp 2021 COVID-19 Addendum

Priority #1- SAFETY- The first step to limit spread is in preventing those with confirmed (or a high probability of having been in contact with) Covid-19 from entering the facility. We will do this through our screening procedures, including in the self-screening we ask staff and families to do prior to camp each day and in the active screening we do as people enter the facility and in who we allow to enter.

The following procedures will be mandatory for each party involved in Tiger Camp: our parents, our campers and our staff

Registration

- Tiger Camp Registration will be completed entirely online and in person. All applications should be emailed to TXSUCAMPUSREC@TSU.EDU
- Payments- All payments must be completed online with valid debit or credit cards. Limited payments will be allowed in person
- Registration Dates: April 12th thru May 31st

Camp Hours Adjustments

- Drop off – will begin at 8am this year to allow us time to make necessary pre camp safety adjustments instead of 730p
- Pick up- will be reduced from 530p to 500p (530-600p will now be an additional late care charge)
- **Camp Start Date: June 7th**

Capacity Numbers and Group Breakdown

- Will be determined by campus, local and state protocols.
- We will be incorporating a pod system; campers will be placed into smaller groups to limit the potential of large group gatherings and to better enforce potential contact tracing.

Drop off/ Pick Up Procedures

- Drop off system will remain the same.
- Pick up - all campers will be escorted to their car at the designated time. Parents or caregivers are to remain in their car at all times.

Activity Adjustments

- Field Trips will not take place this summer
- Activities that involve equipment that cannot be cleaned and disinfected will not be used

Families

- If you have someone at home who is considered high risk (heart condition, elderly, lung issues, etc.) consider not attending camp.
- Parents must complete **the COVID-19 LIVE SAFE APP** questionnaire each day to satisfy admission into camp. If the answer to any of these questions is “yes,” the camper will be asked to remain home.

What if the camper shows symptoms?

The following steps will be taken for any camper or staff member who demonstrates symptoms of sickness during camp:

- The camper or staff member exhibiting symptoms of illness during camp will be isolated.
- The camper's parents will be called and asked to pick up their camper immediately. The staff member exhibiting symptoms will be asked to leave camp if they are able to leave on their own, or secure transportation if unable to leave on their own.
 - If the camper or staff member has symptoms that could be COVID-19 and wants to return to camp the individual must obtain a medical professional's note clearing the individual for return based on a negative nucleic-acid COVID-19 test and an alternative diagnosis. Find TX COVID-19 Test Collection Sites online, contact the local health department for testing, or see a health care provider.
 - In the case of a staff member who has symptoms that could be COVID-19 and does not get evaluated by a medical professional or tested for COVID-19, the individual is assumed to have COVID-19, and the individual may not return to camp until they have taken a COVID-19 test and have a negative result from that subsequent test.

Typical COVID -19 Symptoms

- Cough*
- Shortness of breath or difficulty breathing
- Fever
- Chills
- Headache*
- Muscle pain
- Sore throat
- New loss of taste or smell
- Diarrhea
- Feeling feverish or measured temperature greater than or equal to 100 degrees Fahrenheit
- Known close contact with person who is lab confirmed to have COVID-19

IF POSITIVE CASE OF COVID IS CONFIRMED WITH A CAMPER OR STAFF

When an individual tests positive for COVID-19, we will notify all parents or guardians of campers in the group. The parents or guardians may decide to either pick up their child from the camp or leave the child in the camp and trust the camp to take appropriate safeguards. We will keep the small group containing the individual who tested positive for COVID-19 isolated from other small groups at the camp for the remainder of the camp session.

IF AN IMMEDIATE FAMILY MEMBER IS EXHIBITING SYMPTOMS OF COVID-19 OR HAS A CONFIRMED CASE If a family member of a camper is exhibiting symptoms of Covid-19, the CDC recommends that everyone in the house self-isolate. Home isolation can end and a camper return to camp when the following guidelines are met: CDC recommends 14 days of quarantine after exposure based on the time it takes to develop illness if infected. Thus, it is possible that a person known to be infected could leave isolation earlier than a person who is quarantined because of the possibility they are infected. The person infected could meet

the above criteria and is cleared to leave isolation; however, the other family members would need to remain in isolation 14 days after last symptom exposure.
