

TEXAS SOUTHERN UNIVERSITY

Texas Southern University Spring Class of 2020,

Commencement is the culminating event of one's academic career. It is a special day to gather and celebrate your accomplishments as graduates of our esteemed University. Unfortunately, due to the escalating surge of COVID-19 cases in the Houston area, Texas Southern University must postpone the previously rescheduled Commencement ceremony that was to be held on August 8, 2020.

Your safety is our top priority. University leadership believes that it is best to postpone the ceremony, as per guidelines set by the City of Houston and Harris County. We understand the magnitude of this change and the resulting disappointment of not being able to celebrate in person with family and friends in August.

Texas Southern University is proud of you for reaching this major milestone. Updates about how and when we will move forward with Commencement will be shared as soon as information is available. Please note that degrees will be conferred even though the event has been postponed.

As you graduate from Texas Southern University from a distance, campus resources are still available to you as a lifetime member of the TSU family. If you are searching for employment, the TSU Career and Professional Development Center is available as a resource. We encourage you to stay connected with your alma mater by joining and getting involved in your local alumni chapter. Visit www.tsunaa.com for more information.

The Tiger Family honors and salutes your achievement. We know that you are destined for great things on the road ahead and look forward to celebrating with you when conditions permit. Congratulations!
