H. **Understanding the Credit Review Process**

When you apply for a Direct PLUS Loan, the U.S Department of Education **will check your credit history**. To be eligible to receive a PLUS Loan, **you must not have an adverse credit history**. If you are determined to have an adverse credit history, you may still receive a Direct PLUS Loan if you obtain an endorser who does not have an adverse credit history. An endorser is someone who agrees to repay the Direct PLUS Loan if you do not repay the loan. In some cases, you may also be able to obtain a Direct PLUS Loan if you document that there are extenuating circumstances related to your adverse credit history. The applicant may contact the U. S. Department of Education at 1-800-557-7394 for additional information on remedying the credit denial.
